Mandates awarded

On December 15th, 2011 the FRR launched a limited request for proposals for actively managed mandates implementing and following ESG criteria and thematic.

Following the selection process concerning lot 2 of this tender (mandate for actively managed European equities, sustainable growth), the FRR has decided to accept the following proposals:

1. AXA Investment Managers Paris
2. Financière de l'Echiquier
3. Kempen Capital Management Ltd

The mandates are granted for a duration of four years. The indicative overall amount of funds earmarked for these mandates is 200 million Euros.

The FRR was very pleased with the number and quality of proposals received and extends its thanks to all the participants in this RFP.
